4 INTEGRATED WORKFLOW & TERMS & CONDITIONS

PAYMENT & DELIVERY TERMS

Upfront Advance: 20% non-refundable advance required to start website projects. Graphic design work commences upon advance receipt.

Final Handover: Full payment is required before receiving final source files, credentials, or website handover.

Cancellation: Cancelling after work starts forfeits the advance. For graphic design cancellations prior to completion, 40% of advance is returned.

Revisions: 4 free revision rounds included. Additional changes cost ₹250/each for websites (or ₹100/each for graphic design) unless agreed otherwise.

SCOPE & CLIENT RESPONSIBILITIES

Content Submission: Client must provide all required content (logos, images, text). Feedback delays will shift estimated delivery dates.

Third-Party Costs: Domain, hosting, API keys, payment gateways, plugins, and renewals are paid directly by the client unless specified.

Post-Handover Work: Final sites are handed over as-is. Changes post-handover/approval or security fixes are billed as new work.

Portfolio Rights: Crode Tech reserves the right to showcase completed projects unless confidentiality is requested in writing.

Important Note: Displayed prices are starting/estimated package costs. Final scope, timeline, and exact deliverables will be confirmed in a formal written quotation prior to project commencement.
