Terms & Conditions

- 01 You must provide all necessary content (logos, images, text, etc.) for the project.
- 02 Pay 20% upfront to start the project; timeline begins after payment and materials are received.
- 03 Full payment is required before receiving final files, credentials, or website handover.
- 04 Only agreed features are included; extra requests may cost more.
- 05 4 free revisions included; additional changes cost ₹250 each unless agreed otherwise.
- 06 Delays in feedback or content may push back the delivery date.
- 07 Domain, hosting, plugins, APIs, etc., are not included unless specified.
- 08 Domain/hosting charges are separate unless included in your package.
- 09 After full payment, the website is handed over as-is; we're not responsible for post-handover changes.
- 10 Changes after handover may be charged as new work.
- 11 Maintenance is a separate service unless included; charges apply.
- 12 Review and confirm the website before final delivery; changes after approval may cost extra.
- 13 Cancelling after work starts may forfeit the advance payment.
- 14 Payments for completed work or third-party services are non-refundable.
- 15 We may showcase your project unless you request confidentiality.
- 16 You own the final website after full payment, but we retain rights to reusable tools/frameworks.
- 17 Security issues post-handover or due to third-party services may require separate fixes.
- 18 Additional features or changes beyond scope may increase the project cost.

Important Note

The prices mentioned in this document are starting/estimated package prices and may vary according to project requirements.

Every website is different. The final quotation will be based on the number of pages, design complexity, required functionality, animations and interactions, forms and integrations, third-party services, custom development requirements, content structure, and additional revisions or changes.

The final scope, price, timeline, and deliverables will be confirmed with the client before development begins.

Pricing Clarification

For additional pages beyond the agreed page count, the applicable additional-page charge will be specified in the final quotation.

Every website is different.

*The final scope, price, timeline, and deliverables will be confirmed with
the client before development begins.*
